**District Summary:** Bertha-Hewitt is a PreK-12 district with a population of just under 500 students. The 786 School Board and the towns of Bertha, Hewitt and Eagle Bend are highly supportive of our students, teachers and staff. Because of this support, we are able to provide small class sizes and innovative electives and activities for our high school students. Some of these great programs include; an on campus business - NextGen Bears, a state of the art fitness center, an on campus day care and numerous extracurricular opportunities. Check us out and see if our small school with a big heart is the right place for you!
