***NOTICE FOR SIXTH GRADE ONLY:**

Parents: **No. 1** priority on 6th grade supply list is to have a scientific calculator that can be used over the next three years for math. This is the same calculator that's used for the MCA standardized test and can be purchased at TARGET, WALMART or purchased from the school. This calculator is about \$15 at most major retailers. Students not having this calculator may be at a disadvantage in class and on MCA tests.
